

PCARC MINUTES
December, 1999

Old Business:

1. Nature Gallery 1999 will be held at St Andrews State Park on November 12-13th. Volunteers are requested to be there about 9:15 AM, see Bob Steel for further details.
2. Iron Man Triathlon report was given, all went well with some minor bugs.
3. The club will hold a work party at the clubhouse on Nov 20th to recoat the clubhouse roof with sealer to prepare for the winter rains. We hope to install the new rotor if time permits.
4. It was reported that Bill Parker KF8INF was in better condition after having heart problems.
5. The 2-10 meter link was discussed. The repeater controller and 10 meter Uniden 2510 transceiver has failed evidently due to lightning damage. The club voted to put the repeater back in working order with a limit of \$350.00.

Being no other business, the meeting was adjourned.
Respectfully submitted,

Tom Cook KF4VRX
Secretary
