

PANAMA CITY ARC

APRIL 2001

Secretary's Report:

Treasurer's Report: Balance \$1530.04

Old Business:

1. Club voted to pay for the crane rental to unload the donated antenna tower at the clubhouse. At a non-business meeting, the hat was passed and enough money was collected to pay the rental, without taking the money from our treasury.
2. The Club is awaiting word from Steve, AC4QB, on the status of the 2 to 10 meter link. We hope to have it back in service quickly.
3. The club voted to have a Field Operation similar to last year, provided Charley Wooten, NF4A, will be chairman again this year.

New Business:

1. The club voted to rekey the front and back doors. The 4 keys will be kept by club officers. If anyone needs entry, please see any of the club officers. Cost was \$30.
2. Kevin has updated the club web page, please take a look and let Kevin know any updates, changes, etc that need to be made.
3. Bill McCurdy, W4WBM, addressed the club about emergency operations.
4. Joe, O'daniel, KE4SOA, presented several Emergency Communications to various members of the club for their work in the Tornado relief work near Wausa .
5. Club is trying to find out our status as far as a not for profit corporation. If anyone knows if we have filed papers to obtain this status in the past, please contact William Page or Joe O'daniel.

We are in the process of updating the club roster for 2001. If you have not paid dues, please do it now!!!! Otherwise you will not be shown on the roster or will not receive email updates of club activities, etc.
