

Below is the May meeting Minutes. Just a reminder, if you haven't paid your dues, we will still gladly accept your payment! Also, Field Day is fast approaching, this is a great time for Technician Class Amateurs to experience the HF bands (and hopefully add some motivation to upgrade). Look for the sign-up sheet soon. Meeting called to order by Club President William, KF4JMM.

Minutes from April read May Tailgate date corrected to 18 May and minutes were accepted.

Treasurer's Report: Balance \$1,98.89

Old Business:

1. The club voted to purchase a Hy-Gain TH-3 antenna for \$299 for use during Field Day.
2. Charlie, NF4A, discussed field day preparations and he will post a sign-up sheet on the clubhouse bulletin board in the next few weeks for operators to sign up for at least 3 hour shifts. We would like to run two stations (Category 2A) and need enough operators to run the entire contest time. We also need volunteers for set-up and tear down.
3. If you participated in the FL QSO party please indicate your club affiliation on your score sheet!

New Business:

1. No new business.
