

PANAMA CITY AMATEUR RADIO CLUB MINUTES

September 4, 2002

Meeting called to order by Club President William, KF4JMM.

Minutes from August read and accepted.

Treasurer's Report: Balance \$1381.40

Old Business:

1. William briefed the club on efforts to repair the outside lighting and the construction surrounding the building.
2. The repair of the clubhouse roof was discussed. Suggestions include, making repairs similar to what was done in the past, purchasing a rubber barrier, installing a new shingle roof, and asking the city to repair the roof.

New Business:

1. Robert, WB3DEH solicited volunteers to support Nature's Gallery 26-27 Oct from 10-4.
2. William explained the BAYCARS net will be changing to the East Panhandle District Net. The preamble will change and members are asked to check in at least once a month to remain on the roll.
3. Charlie, NF4A updated the club on the 145.210 repeater installation. The new repeater must be professionally installed and maintained and access will be controlled. He expects the building for the repeater to be completed in the next three months and the antenna should be over 300ft.
