

**PANAMA CITY AMATEUR RADIO CLUB
MINUTES**

October 6, 2004

Meeting called to order by Club President Dave, W4WLC.

Minutes from September were read and accepted.

The Treasurer's Report: Balance \$1620.43

Old Business:

A new door has been purchased and Dave will take care of installation.

The 145.330 is back on the air but temporarily located on the Clear Channel tower on Lisenby Ave until the feed line is purchased by the county to put it back up on the Clear Channel tower up Hwy 231.

The 2/10 link is down due to a lightning strike that took out the 2 meter rig.

Club repeater is still down pending final negotiations for a site to host it.

The nominating committee has selected Ken, KG4VQI for the Secretary position, all other sitting officers will stay in place. The club will vote on the nominee's in November.

A Technician Class is still pending.

The 40' crank up tower will be sold to the highest bidder at the Tailgate to be held on 13 November at the club house.

Natures Gallery is scheduled for the 23/24 of October and the club will support the event if sufficient participation can be found.

New Business:

No new business.

Calendar Reminders:

Natures Gallery 23 & 24 October.

Ironman on November 6th, 2004.
